Shipping Policy

All alcoholic beverage sales are completed as being sold in California. Title passes to you in California. We make no representation to the legal rights of anyone to ship or import wines into any state outside of California. You, as a buyer, are solely responsible for shipment of alcoholic beverages. By placing an order, you authorize us to act on your behalf to engage a common carrier to deliver your order to you. You also represent that you are at least 21 years old and that the person to whom you are shipping is at least 21 years old. Deliveries to a residential address will incur a \$5/box surcharge. We offer complimentary same-day delivery to all Napa and Sonoma County locations. By choosing Ground Shipping, your wine may experience weather delays and not be shipped until cooler Fall weather. If so, we will store your wine free of charge until such time, and you may upgrade at any time. We will advise you accordingly.

Please contact us for a complete list of states we ship to. We do not ship to the following states: AL, AR, DE, KY, ME, MD, MA, MS, MT, NJ, OK, PA, SD, UT. Some states restrict how much wine you can receive each month. We ask that you please check with your own state's laws for details.
